

# EHR Operations Dashboard for NextGen™ Ambulatory EHR

## Makes reviewing EHR usage and open items Easier!

Everyday your clinic uses the NextGen EHR system. We've made it easier for you to make sure that the system is being used properly, find things that have been overlooked and make sure visits are complete. This tool can also help you identify areas where additional training for your clinical staff is needed.

You may be using reports and other methods to try to check on these metrics today but we've made it easier! Our EHR Operations Dashboard brings the most common EHR productivity and operations metrics to your fingertips:

- Incomplete Orders
  - Documents Not Signed
  - Pending Tasks
  - Incomplete Telephone Calls
  - Rosetta Holding Tank
  - Pending Portal Messages
  - No Charges from EHR
  - Notes Not Generated
  - Charges Not Submitted
  - Incomplete Provider Test Actions
  - PAQ Pending Items
  - Provider SignOff Queue
  - Protocols Due
- Report included to automatically print all metrics for a provider
  - Makes managing EHR usage Smarter, Faster and Easier!

The screenshot shows the 'EHR Operations Dashboard' interface. At the top, it displays the eMedApps logo and the title 'EHR Operations Dashboard'. The user name 'Ajay Patel' is shown in the top right corner. Below the title, there is a notification that 'Data is refreshed every morning at 2:00 AM.' and a 'Toggle' button. The main section contains filters for 'From Date' (09/29/2016), 'To Date' (10/06/2016), 'Location' (Westside Medical Office), and 'Provider' (Steve Watson MD). There are also buttons for 'Clear', 'Add/Update', 'Clear All', and 'Load'. Below the filters is a table listing various metrics, each with a print icon and a refresh icon.

Metric	Print	Refresh
Incomplete Orders	[Print]	[Refresh]
Notes Not Generated	[Print]	[Refresh]
Documents Not Signed	[Print]	[Refresh]
Charges Not Submitted	[Print]	[Refresh]
Incomplete Provider Test Actions	[Print]	[Refresh]
Incomplete Telephone Calls	[Print]	[Refresh]
Provider SignOff Queue	[Print]	[Refresh]
Rosetta Holding Tank	[Print]	[Refresh]
Pending Tasks	[Print]	[Refresh]
Pending Portal Messages	[Print]	[Refresh]
Protocols Due	[Print]	[Refresh]
No Charges from EHR	[Print]	[Refresh]
Reports	[Print]	[Refresh]
